PRE-CONFERENCE WORK DAY

Immokalee Lodge held a work day on Jan. 7, 1961, at Camp Osborn. According to the officers, and the local gossip, it was termed a "successful day". Among the work that was done was--the extenuation of the latrine drainage; a new council ring, and other projects, to be used at the O.A.Conference. During mid-morning our lodge chief went swimming, and urged others to join him, but to no avail. At lunch time, the "natives were rioting" for drinks which finally came after all were finished eating.

During the business meeting that evening, a preliminary schedule, to be used at the Conference, was set up.

Gordon Smith's conference patch design was selected as best! Three committees were also set up, consisting of lodge volunteers.

After Sunday morning breakfast, members began leaving. We heard of one incident that happened during the morning:

One little boy almost broke a HAM operators whip antenna off his car, struggling to protect his own car. It seems as though a group of TIFTON boys decided that Netami Lekhiket's car would ride better if his tires didn't have air in them.

I would like to pass on a suggestion--IF YOU'RE GOING TO TAKE A VEHICLE OUT TO CAMP--TAKE A TANK.

Immokalee Lodge will have a work day at Camp Osborn on February 18, 1961. The time will be from 9:30 A.M. to 5:30 P.M. We have many projects to work on for the conference. You will need to bring work clothes. Also bring your lunch and drinks will be free as before. It is important that everyone be there as we can accomplish more with more people if they are willing to work.

SPORTS NEWS

In the past month several strange things have occurred on the Sowega Sports Scene. In December Tifton beat Albany in Albany's Invitational Tournament. In early January, Americus stomped Tifton. However, later in the month Albany snapped Americus's winning streak by beating them in Albany. Wierd! Uh?
Basketball Scores:

Americus 76-Crisp County 54
Albany 52-Fort Valley 47
Worth County 48-Fitzgerald 47
Albany 58-Valdosta 50

CONGRATULATIONS TO A MEMBER:

Mike Henry for being the first to contribute to our paper.

% % % % % %

PERSONAL GLIMPSES:

Bob Wallis ordered a new delicacy at a local drive in restaurant--- a glass of water with a cherry in it.

Wright Davis likes to comment on people who shine lights in his eyes. (At 1:00 o'clock in the morning)

Jim Parker has a new kind of alarm clock, a string of fire-crackers.

CAMPING BOOK

It is hoped that the Immokalee Lodge will put out a camping booklet for Chehaw Council. If we do we must have information from our members. We ask you to talk with your Scout Leader and ask him to write down all the places he has taken the troop camping, Ask him to include water facilities, who to ask for permission to camp there, description of camp site, and etc. Please send this to Bob Wallis, 807 Seventh Avenue, Albany, Georgia.

#####

DAFFYNISHION: Cheerios--hula hoops for ants.

THOUGHT FOR THE MONTH!!!

It is the duty of every arrowman to spread camping in his Unit, community, and nation. Camping for All.

Sign on Mr. Teeter's newly seeded lawn:

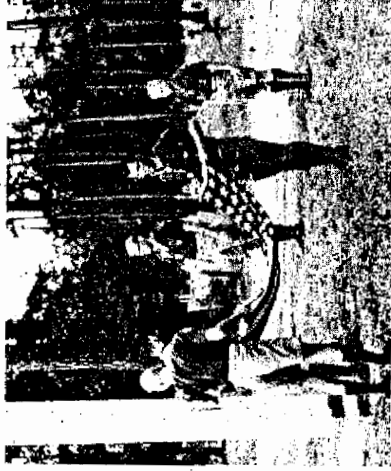

"Dogs Beware.
Vicious Man."

SEND US ANY INTERESTING NEWS.
