WELCOME:

We wish to extend a warm welcome to 3 new members who have transferred from other lodges to Immokalee. They are: John Holden, Powhatan Lodge; Barry Holden, Powhatan Lodge; and Lenny DeLamar, Semilachee Lodge.

SECOND PRE-CONFERENCE WORK DAY

On Feb. 18, this Lodge held its 2nd work day in preparation for the Area Conference, for which we will be hosts. Area Vice-Chief M. T. Clements and Lodge Chief James Parker headed work parties, which engaged in the construction and cleaning up of various parts of camp that will be in use at the April Conference.

Since we will be allowed only a certain number of members from our Lodge to attend the Conference (21 at the present), it is necessary that we determine those who will go by the amount of service each of you have rendered to the O.A., in preparation for this Conference.

In the April edition of this bulletin we will have complete details concerning the conference.

As was mentioned previously, Gordon Smith's conference patch design was adopted as the official patch for the Conference. Unfortunately, we will not have a large jacket or neckerchief patch due to the extremely high cost of having them produced.

Don't forget----attendance at these work days is the key to going to the Area Conference-April 14, 15, 16, 1961.

Daffynishion: High noon --- three martinis before lunch.

THANKS TO TROOP 66

We wish to thank Mr. Glenn Mathis, Scoutmaster of Troop 66, in Tifton, for sending us information concerning his troop's favorite camping place. It is the intention of this lodge to print a camping book containing the favorite camping places of troops throughout Chehaw Council. These books will then be distributed to troops in this council. Please cooperate by having your troop send this information to your editor or ass't. editor (addresses listed below)

PERSONAL GLIMPSES:

Edward Gnehm still owes \$3.00 induction fee to the O.A. How about "coughing it up", Skip?

Terrell Willis is continuously talking over the airways about how he is going to be on the summer camp staff again this year. What are you going to teach, Coach?

Bob Wallis and Walter Martin were so impressed with Jim Parker's new alarm clock (string of firecrackers) that they tried it too!!

I wonder what Dewitt Beeland did with that spike he sharpened out at camp?

A reminder!

We will have a very important work day on March 25, 1961 from 9:30 a.m. until 8:30 p.m.

The cost will be 75¢ for dinner. You should bring your own lunch!

As usual you will need work clothes.

Also - if you want to attend the O.A. Conference, you will need to have your Conference fee (\$5.50) in to me by April 1st.

Don't forget the more present at this work day, the quicker the work will be completed and the quicker we get to go home.

Hope to see you there!

Yours in Brotherhood
Mike Henry

THOUGHT FOR THE MONTH!!!

Follow the course of the arrow, true and straight, and you will live a prosperous life.

One young boy said to another:

"I prefer men who go for the more refined things in life--like oil."
