CENTRAL

July 14, 7:30 p.m. Cub Scout and Boy Scout Roundtables, St. Paul's Episcopal Church

ROAD RALLY

Post 45 of Cordele really took it all at the Road Rally, first, second and third places! The weather was hot -- 103 degrees -- and so was Post 45 -- the winner -- car No. One -- checked flat zero time at 2 points.

These boys will have a shot at going to the Grand Nationals in Detroit, hope they go all the way! Wish you could have been with us, it was fine. Congratulations, Mr. Findley!

SILVER FAWN

A new Silver Fawn Award for women in Scouting has been announced by the Boy Scouts of America to be presented for outstanding service to boys. It becomes available January 1, 1971. A council is entitled to present one Silver Fawn Award for each three Silver Beaver Awards it is allowed to present.

SUMMER CAMP

Summer camp is going great! We have the largest group this year that we have ever had. A fine staff and good cooks round out a good program. Wish you were here!

XIII WORLD JAMBOREE

Japan, August 2 - 10, 1971

The XIII World Jamboree, the first Jamboree to be in Asia, will be the largest single international Scouting event ever conducted. More than 20,000 Scouts and leaders from 132 countries are expected to attend. The United States will be represented by about 3000 members of the Boy Scouts of America.

For Understanding, this theme was chosen in the belief that world brotherhood and the foundations of world peace can be strengthened through more understanding between people. The Jamboree through its programs and activities provides an unparalleled international opportunity to serve this purpose.

The 9-day Jamboree will be August 2 - 10, 1971. American contingents will be gone 20 days, taking in tours of Japan before and after the Jamboree.

Boys must be registered members of the Boy Scouts of America, 14 - 18 years of age, and have attained at least First Class rank or be a registered Explorer. The total cost of the trip is about \$825 for each boy.

The first U.S. contingent departs for Japan on July 23, 1971 for pre-jamboree tours. Contingents leaving later will split their tours of Japan before and after the Jamboree.

In Japan the Scouts will see the 2000-year-old civilization in cities like Nikko, Kyoto, Nara, and Koshigaya. Their tours will take them through some of the world's most beautiful gardens, ornate shrines and temples that were already very old when Columbus discovered America.

Modern Japan will be seen as the Scouts visit bustling Tokyo and ride the world's fastest train to the Jamboree site.

The emblem for the Jamboree is in the shape of a Sacred Mirror with the purple World Scout badge in its center and the words 13th World Jamboree, Nippon 1971. "Nippon" is the official Japanese word for Japan and the characters are Nippon in Japanese.

LAKE DISTRICT

REGISTRATION---We have a lot of units in our district who need to make a little extra push to get their charters in. Actually, unregistered units are not supposed to receive any sort of advancement. I am sorry that I have been out of contact with you on this. Just as soon as summer camp is over we shall get together.
