Arrowmen,

Welcome to the 1992 SE-4 Conclave! The work and ideas of many brothers will be brought to life this weekend. I hope you will test yourself again, and find fun, excitement, and comradeship as you go throughout the Conclave.

I would like to express a great amount of thanks to Immokalee Lodge, for the planning, and hard work they did to make this Conclave possible. Lodge #358 went outside the norm to make sure all aspects of the Conclave would be memorable and arousing for you. I would also like to state gratitude to all of the Conclave Committees in making their part of the Conclave enjoyable.

This weekend is packed with activities, fellowship, and friendly competition for you to be a part of. Be sure to get involved in as many of these as you can, but in your activities, please take the opportunity to get to know your brothers from throughout the Section.

I look forward to meeting all of you this weekend. If I or any of the Section officers can help you in any way, please feel free to ask us. This Conclave has been planned for you to enjoy yourself, it is in your hands now!

In the Wilmachtendienk,

Scott

Scott L. Slaton, SE-4 Chief

Dear Brothers,

Welcome to the SE-4 Conclave! We here at Immokalee Lodge #353 have been working very hard for months to get Camp Osborn ready for you. However, there are always some things that are overlooked. If by some remote chance you have a problem, do not hesitate to contact a member of our lodge, and we will do our best to correct it.

So, have a great time and try not to damage anything vital.

In the Brotherhood,

Ross
